

**Wouldn't it be nice to be a part of something great, where you're proud of the work you do and appreciated for your contribution? If you're tired of fighting the traffic every day to a grey, uninspiring office, come and experience something different at Skinner Hamilton**

### **who we are**

Our team of professionals is friendly, customer-orientated and most have been with us for a number of years (because they love it here!) We're a progressive, paperless firm who like to stay on top of technology and the latest advances in our industry.

### **where we are**

We're located in the "jewel" of the Gold Coast, Emerald Lakes, which is very central and home to restaurants, coffee shops, medical and dental practices and much more, making this a convenient hub you'll be excited to be a part of. Go for a run around the lake during your lunch hour, or simply look out over it from our funky lunchroom.

### **why we need you**

We've steadily been growing our vision for the firm, and as we continue to do so, the need for additional team members to be part of our journey has arisen. Our clients are of the highest quality and as such, our team members need to be too. Our point of difference is that we want our clients to have an exceptional experience with us, and for that to happen we need exceptional people.

### **who we're looking for**

We're looking for an "Intermediate Accountant" to be part of the team. You will have approximately 3 years' tax experience and be either fully or partially qualified. You'll be keen to learn all there is to know about tax, and be the type of person for whom great client service is second nature.
